The Ohio Society of Addiction Medicine (OHSAM) invites any physician, physician-in-training and mid-level provider registered to attend the annual meeting to submit a scientific abstract to be presented as a poster presentation at the 2021 annual meeting. This is an excellent opportunity to become involved in the OHSAM and to enhance you and your practice's reputation.

About 100 physicians, providers and clinical staff in addiction medicine, emergency medicine, family practice and psychiatry are expected to attend this meeting. This event is designed to provide attendees with the opportunity to discuss new treatment options and research so as to advance towards excellence in clinical practice.

Location

Submission and Review Process

- Limit of two applications per individual; both submissions are eligible for selection.
- Each de-identified abstract will be reviewed for quality and content.
- Poster board size is 6' wide by 4' tall. Your poster may be of any size smaller than these dimensions.
- Presenters are responsible for creating and bringing their own poster.
- Abstracts/posters must be free of commercial influence. In addition, they may not imply an endorsement of any commercial product or service.
- Authors are asked to be at their poster during the morning break.
- You may submit abstracts/posters of completed work, work in progress or work presented at a local or regional level. The primary author is responsible for obtaining written consent from all authors and appropriate institutions prior to submitting an abstract/poster.

Categories

You must designate one of the following categories for each abstract submitted.

1. Research
2. Case Study

Suggested Format

- Title

The title should be brief and clearly state the content of the paper.

- Authors

List the presenting author’s name first. Give the name and location of the institution where the work was done. If the work was not done at an institution, list only the city and the state.

- Body

The size limit for the body of the abstract (including any tables or figures) is 2,500 characters. Standard abbreviations may be used. Pictures are acceptable and simple tables and charts can be incorporated into the abstract. Organize the body of the abstract as follows:

1. Purpose of the study
2. Methods
3. Results Summary
4. Conclusion

Awards

A \$200 award will be given to the outstanding poster in each of the two categories, voted on by the review committee.
